Yuria-san,
are you
listening
to me?

That's what
makes you
dangerous!!
You tell him
off too,
Yuria-san...

Yes,
when I see
a pretty
lady my
voice just
kinda
slips out,
haha

We will

You show

paper and
just the
other day
didn't you?

It's

You seem
well.

I heard
the maga-

Yuria on
the cover
was sold
well?

Yes,
thanks
to you
it seems

Oh,
Okabe-
san?

Yes!

That's not true!
If you'd like,
why don't
you join our
office?

What?

No,
I'm still
just
learning!

It's
thanks to
your skillful
management
that so much
work gets
done well.

I will
support you
the best
I can.

We have
an opening in
management,
of course,
we'll prepare
good compensa-
tion for
you.

I don't care about that.

You don't want to make Osamu-san miss out on a job, right?

Hey now, children shouldn't intrude on adults' business talks.

I guess it's true that the pretty ones with no manners are ugly on the inside. How unfortunate!

Osamu-san can't manage anyone but me.

Um

Yuria's bad manners are my responsibility and I apologize sincerely... but before being her manager, I'm her fan!

I don't want to hear you insulting her!!

G-Good
work
today!

See you
later,
Okabe-san,
Yuna-san.

I'm really
busy, so
I'll get
going.

Ooh,
sorry! I
went too
far... I
was just
jealous
of her youth!

Okabe-
san.

This is
bad—!
Yuna and
I just
snapped at
Utsuwa-
sensei...

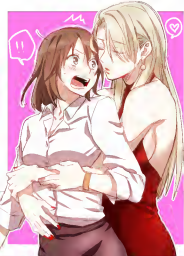

We
will
not!

That
won't
work!

Not at all.
Just make
sure to
bring me
along in
your
success-
story?

What
you can
make me
reminiscent
happy.
Thank
you.
